COVID-19 Accommodations Fixed Indemnity/Accident Only

ACCIDENT & HEALTH

Since 2020, both United States Fire Insurance Company and The North River Insurance Company have been closely monitoring the spread of novel coronavirus (COVID-19) to assist our valued customers.

Effective July 1, 2021, the following accommodations apply to all insureds covered by our fixed indemnity products and all insureds covered by our blanket accident, group accident, and occupational accident products:

Claims cannot be denied solely because the medical services sought to be covered are telehealth services. Telehealth services must be treated the same as any other service for eligible benefits in accordance with the terms and conditions of the plan. This applies to all telehealth services – even those unrelated to COVID-19.

Additional accommodations may be available based upon your state of residency. Contact your producer or plan administrator for additional details.
