

The FInTech ONE Solution: E&O, Cyber and Multimedia Liability

A new holistic solution backed by an integrated team of Financial Institutions and Cyber professionals

C&F's FInTech ONE policy which combines FinTech E&O, Cyber and Multimedia Liability Insurance coverages, provides a hard-to-find integrated solution for Financial Services firms that rely upon technology to deliver professional services to their clients.

Key Features of the Policy:

- Four key coverages – typically purchased separately from different markets – under one policy, thereby offering a more comprehensive E&O and Cyber solution for FinTech companies:
 - *Financial Services E&O, including Lender's Liability;*
 - *Technology E&O;*
 - *Cyber Liability; and*
 - *Media Liability.*
- Customized E&O coverage for each sub-class within Financial Institutions.
- Technology E&O coverage plus Financial Services E&O coverage in one insuring agreement/coverage module.
- Features our full array of robust Cyber coverages.
- Initial target class: Nonbank lenders.

Backed by a Dedicated Team

We've created a dedicated team of Financial Institutions and Cyber underwriting and claims professionals to deliver a unified, robust solution – the one-stop-shop solution that producers and FinTech clients want.
